

INTRODUCING

Alex and Renias

01

Alex van den Heever and **Renias Mhlongo** have worked together for 30 years, beginning their journey at Londolozi, South Africa's original private game reserve.

02

Alex earned the title of **Senior Tracker Evaluator** in 2004, making him the youngest to achieve this distinction.

03

Renias, who grew up in what is now the Kruger National Park, led the team that **habituated Londolozi's world-famous leopards** in the 1980s.

04

They co-founded the **Tracker Academy**, an award-winning NGO that trains unemployed individuals in the ancient skills of tracking.

05

Together they have travelled the world tracking some of the planet's most exciting animals, like **leopards, grizzly bears, wolves** and **jaguars**.

06

They were recently guests on a **CNN International** show telling their story.

07

They co-own the **KrugerUntamed** safari camps in Kruger National Park.

08

Alex and Renias have presented **internationally**
