## FACT SHEET 2026 SEASON

## PROPERTY DESCRIPTION

Satar Plains Camp is the social heartbeat of Kruger Untamed — a 30-tent, expedition-style camp set on open savannah near a natural spring. Known as "Cat Country," this region offers thrilling big-sky game drives and rich predator sightings. Hearty meals, fireside evenings, and flexible safari options create a lively, connected experience where adventure and camaraderie meet beneath the stars.

## LOCATION

Satara Plains Camp lies near the famed Satara Rest Camp in the heart of Kruger's legendary "cat country," where clay-rich basalt soils give rise to open grasslands that draw vast herds — and the predators that follow. Intersected by drainage lines shaded by ancient leadwoods and mahogany trees, the area offers exceptional sightings of lions, cheetahs, and other big game.

## GOOD TO KNOW

|                      |                                                                                 |
|----------------------|---------------------------------------------------------------------------------|
| Electricity          | Solar & generator power                                                         |

| Access               | Nearest airport: Hoedspruit Eastgate Airport or selfdrive to park/ride facility |

Satara Plains Camp carries the pulse of the plains — open, spirited, and full of life.

The air hums with energy, the horizon stretches endlessly, and the rhythm of safari flows with laughter, movement, and firelight. Designed with flexibility in mind, the camp's layered pricing allows guests to shape their own pace and structure the experience that suits them best. It's a place made for shared stories and spontaneous adventure, where hearty meals and warm camaraderie meet the raw beauty of the bush. Satara is bold yet welcoming, an expression of freedom and connection beneath Africa's wide, untamed sky.
